Jérica, Septiembre de 1.989

En el año 1984 se publicó el método de lecto-escritura AMESA y ahora, cinco años más tarde, después de haber sido galardonado con el PRIMER PREMIO, EX AEQUO, DEL I CONCURSO DE INNOVACION EDUCATIVA, convocado por IBERDIDAC y patrocinado por la COMUNIDAD de MADRID, sale a la luz esta 2^a edición para contribuir, en la medida de lo posible, a que la enseñanza y el aprendizaje de la lecto-escritura sea una tarea sencilla y a mena.

$$\frac{1}{1} + \frac{1}{2}$$

A handwriting practice grid with 10 rows and 5 columns. Each row has a horizontal line with a small black mark at each column boundary. Below the grid, there are three small line drawings of children performing actions: a child sitting at a desk, a child standing with arms raised, and a child eating from a bowl.

10

la oso piso la zeta

A handwriting practice grid with 10 rows and 5 columns, identical to the one in the previous section.

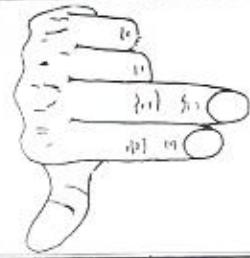

A diagram showing a cluster of six speech bubbles connected by lines to a single suitcase handle. The bubbles contain the words: 'no', 'sa', 'ta', 'se', 'me', and 're'. To the right of the suitcase is a handwriting practice grid with 10 rows and 5 columns.
